

### FINE WRITER

It is a unique pen with an attractive, symbolic dualism. The **Visconti Alchemy** Limited Edition fountain pen, with two nibs, two ink reservoirs and two metals on either side, is easy on the eye and hand as well. Its glory is enhanced by nibs of 18k gold – and the gold and silver trim is decorated with expensive 4k diamonds and rubies. So gift yourself – and your desk – an instrument that is available in only 1038 pieces worldwide. And write on!

### PLATINUM PERFECTION

The metal is just perfect for its look, feel and impact. Its appearance and weight is highly appealing to men because it is simultaneously understated and substantial. Also, platinum instantly spells exclusivity and unmatched élan. This collection from the **Platinum Guild India** includes plain and textured patterns with both matt and high polish finish and masculine designs. Bracelets, rings and chains, ideal for the sensibility of the Indian man.

### STYLISH SHADES

Ronak Enterprises one of India's leading eyewear marketer and distributor, exclusively brings to India **ICI Berlin** – an internationally prominent niche eyewear company. ICI Berlin is all about urban evolution; it is about contrast and sensibility. Daring to be different, it shows that it is often trendy to be minimal and quirky. Wear these to grab everyone's eyes!

### BELTING UP

As part of its Fall-Winter 2011-2012 collection – one that is fluid and has fitted silhouettes and an infinite mix of materials – is this **Fendi** belt with the iconic logo giving it a cutting edge. The **Fendi Zucca** print canvas belt and the **Fendi logo** belt are must-have accessories for any man who knows that first appearances are lasting ones.

### ROCK ON!

The **Versace** Collection for Men Autumn/Winter 2011/12 '80s rock style, reads the style of that era through contemporary filters to create a new look, made up of a blend of classic, sporty and formal menswear. The three striking themes in this collection are **Black Metal**, **City Modern Elegance** and **New Wave**. Together all three span a spectrum of men's styles – from glam rock to the more formal to the classic.
